春のオランダで外のコートで気持ちよくテニスしながら、体力をつけてもらいみんなで協力しながらコートの上で学校で教えて貰えない事学んでいきます。今回は、お泊まりではありませんが通いながら、テニスの基本を試合をたくさん行い、自分で選択して判断することも学びます。

In the spring, while playing tennis comfortably on the outdoor court, we will have the physical strength and everyone will cooperate and learn what can not be taught at school on the court.

We are going to play a lot of basic tennis games and Kids can independently practice and improve by themselves.
