

Memorial Tournament

We would like to thank everyone who joined our 6th Memorial Tournament! We hope you had a fantastic day playing matches with your friends and family. We're thrilled to announce our donation of 615 euros to the tennis association in Noto Peninsula, Ishikawa Prefecture, where the earthquake struck. Your participation made this possible – thank you!

Goodbyes and Hellos

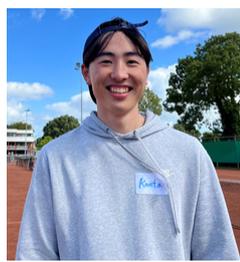

We're saddened to announce our coach Kanako's departure from Konishi Sports, recognizing her incredible contributions and dedication. We wish her all the best in her future endeavours. On a positive note, we warmly welcome three new coaches: Daiki, Nana, and Kanta. All of them played tennis competitively as a junior and they are eager to share their expertise and experience to help elevate everyone's game.
