French Open (Roland Garros)

Roland Garros is underway! This tournament might mark Rafael Nadal's last opportunity to extend his incredible record of 14 titles. I (Kanta) expect to see a thrilling final between Jannik Sinner (left) and Alexander Zverev (right). Both players have been performing exceptionally well recently and can play very good tennis on clay. Who do you think will clinch the title this year? Don't miss the excitement of these thrilling matches – be sure to tune in if you can!
