2nd Mallorca Tennis Camp

The Mallorca Tennis Camp has successfully concluded again this year! Despite a few rainy days, we were able to complete the entire training schedule by making schedule adjustments. This year, we had around 20 tennis enthusiasts join us, making it a truly enriching camp where everyone pushed each other to improve together. It was a wonderful opportunity to rediscover the joy of playing tennis with your friends.

We are sincerely grateful to everyone who participated. We're already planning to hold the camp in Mallorca again next year, so for those who couldn't join us this time, we look forward to seeing you at the next Mallorca camp!
